

WORLD ACCREDITATION DAY 2016

World Accreditation Day is celebrated on June 9th of every year. It is a global initiative, jointly established by the **International Accreditation Forum** and the **International Laboratory Accreditation Cooperation (ILAC)**, to raise awareness of the accreditation.

This year's Theme: "Accreditation: A Global Tool To Support Public Policy".

This year's theme focuses on the support accreditation delivers as a tool for all areas in the public sector – national and local government, regulators. Accreditation is a global tool that helps to address local, national and international needs for governments.
